

Medical, Emergency & Liability Release

I acknowledge that participation in the activity described wherein involves risk to the Participant (and to Participant's parents/guardians, if Participant is a minor) and may result in various types of injury, including, but not limited to: sickness, bodily injury, death, emotional injury, personal injury, property damage and financial damage. In consideration for the opportunity to participate in the activity described wherein, the Participant (or parent/guardian if Participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the Activity. The Participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the Activity or during transportation to and from the Activity, as well as for any medical treatment rendered to the Participant that is authorized by the Sponsor or its agents, employees, volunteers, or any other representatives (collectively referred to hereinafter as the "Activity Sponsor"). Further, the Participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the Activity Sponsor for any injury arising directly or indirectly out of the described Activity or transportation to and from the Activity, whether such injury arises out of the negligence of the Activity Sponsor, the participant, or otherwise.

I hereby authorize the treatment of my child by a qualified and licensed medical doctor in the event of a medical emergency which, in the opinion of the attending physician, may endanger his/her life, cause disfigurement, physical impairment, or under discomfort if delayed, while said child is participating in the following event. This authority is granted only after a reasonable attempt has been made to contact me. However, I will not hold any activity personnel responsible if efforts to contact me are unsuccessful.

The Valley Community Center is a perfect place to educate your child on the importance of physical activity and a healthy lifestyle. During homeschool PE, kids will learn to maintain a healthy lifestyle, form new game skills, build relationships, learn sportsmanship and teamwork. Starting in September, we will offer four different sessions for homeschool families around the community. Each 8-week session will include skill development in basketball, soccer, volleyball, and other popular sports. Students will also play gym games, group games, and enjoy the benefits of exercise.
